

## FAQs on THWi Contact Tracing

<b>Basics</b>	
Why do we need the THWi Contact Tracing web app?	<p><a href="#">In accordance with the SARS-CoV-2 Code of Practice</a> (§3, paragraph (1), no. 5 and paragraph 2) of the State of Brandenburg, higher education institutions must record personal data of persons present in university premises for the purpose of contact tracing.</p> <p>In the event that a Covid 19 patient is present in the premises of TH Wildau, we must be able to provide a list of all contact persons within 24 hours upon request of the responsible health authority.</p>
Where will the QR codes be found?	Event and meeting rooms, seminar rooms, lecture halls, laboratories, library, offices
Does this mean that the paper lists that were previously used in the offices and courses are no longer needed?	Yes
Is the provision of personal data voluntary?	No, due to legal regulations the university must store the data for the purpose of contact tracing
<b>Data Protection</b>	
Who is the responsible department or manager?	Presidium, Prof. Dr.-Ing. Stefan Kubica, 03375 508 327, stefan.kubica@th-wildau.de
What is the purpose of the THWi Contact Tracing web app?	Contact tracing in case of a request by the health authority in case of a positive COVID-19 test
What is the legal basis for the collection/storage/processing of data?	<p>We collect and process the personal data collected in this process in accordance with articles 5 and 6 of the DSGVO, § 5 and 6 BbgDSG only for the purpose of contact tracing in accordance with § 3 paragraph 1 No. 5 and paragraph 2 of the SARS-CoV-2 Ordinance of the State of Brandenburg.</p> <p>A summary of the responsible Ministry of Science, Research and Culture, under which conditions attendance events can be held at Brandenburg universities, can be found at: <a href="https://mwfk.brandenburg.de/mwfk/de/ministerium/umgang-mit-corona-pandemie/">https://mwfk.brandenburg.de/mwfk/de/ministerium/umgang-mit-corona-pandemie/</a> (accessed on 02.10.2020)</p>
Which groups of people are affected by the web app?	Employees, students, guests
What data is collected from the respective groups of people?	<ul style="list-style-type: none"> <li>Employees, students: university account ID, surname, first name, e-mail address, room, time</li> </ul>

	<ul style="list-style-type: none"> <li>• Guests: name, surname, telephone number or e-mail address, room, time</li> </ul>
Will my data be used for any other purpose than that stated?	No
How is my data stored?	Encrypted on the university's own servers
For how long will my data be stored?	4 weeks
Is the data deleted automatically?	Yes, after 4 weeks the data is automatically deleted.
Who can access the data?	<ul style="list-style-type: none"> <li>• internal authorised access: four-eye principle -&gt; member of crisis management team + one representative of the staff council for employees or student council</li> <li>• Public Health Office: at the request of the responsible public health office, the contacts (surname, first name, telephone number or e-mail) of the persons concerned during the period specified will be made available.</li> </ul>
<h2>Technical Information and Content</h2>	
Is there a hotline if there are problems or I have questions?	Yes, a ticket system is available by e-mail at <a href="mailto:supportcenter@th-wildau.de">supportcenter@th-wildau.de</a>
Do I have to use this technical solution or are there alternatives? Because I <ul style="list-style-type: none"> <li>• do not have a mobile phone</li> <li>• do not have a QR Code scanner or</li> <li>• do not want to use my data volume for this.</li> </ul>	<p>You do not need a mobile device.</p> <p>You can enter your data on any internet-capable terminal at <a href="https://icampus.th-wildau.de/contact-tracing">icampus.th-wildau.de/contact tracing</a>.</p> <p>You can also use WLAN on our campus: <a href="https://www.th-wildau.de/hochschule/zentrale-einrichtungen/hochschulrechenzentrum/lan-wlan">https://www.th-wildau.de/hochschule/zentrale-einrichtungen/hochschulrechenzentrum/lan-wlan</a></p>
A room is missing in the web app. Who can I contact?	You can reach the ticket system by e-mail at <a href="mailto:supportcenter@th-wildau.de">supportcenter@th-wildau.de</a>
There is no QR code at my location. Who can I contact?	You can reach the ticket system by e-mail at <a href="mailto:supportcenter@th-wildau.de">supportcenter@th-wildau.de</a>
I have accidentally entered incorrect data (e.g. a wrong telephone number). Can I correct this?	Yes, use the web app: <a href="https://icampus.th-wildau.de/kontaktnachverfolgung">icampus.th-wildau.de/kontaktnachverfolgung</a>
I forgot to enter my details before entering the premises. What should I do now?	Use the web app and enter your data afterwards: <a href="https://icampus.th-wildau.de/kontaktnachverfolgung">icampus.th-wildau.de/kontaktnachverfolgung</a>
