- In case of suspected poisoning - call the poison control center
Tel. 030 19240
Contact the LDS health department (local health department)
03375 26 2145 Königs Wusterhausen Hospital 03375 288-0
KH KWh Emergency Outpatient Clinic 03375 288-300
- Notify the public health department

1 Intervene - End

- Keep calm, don't panic
- Isolate all sick people, avoiding self-endangerment
- depending on the disease, use disposable gloves and a face mask if necessary
- Prevent further contact between sick people and healthy people

Poisonings

2 Welfare - victim support - measures

- Follow the instructions of the public health department
- University crisis team convened
- In case of suspected poisoning - if possible - identify the triggering cause/substance (e.g. food, poisonous substance, mushrooms, berries) without endangering yourself

3 Inform

- Convene the university's crisis team
- Develop information strategy and communication channels for the university (who, how, about what, in what form?)
- Only pass on information in consultation with the police and/or health authorities
- Written and factual information about the incident in an appropriate form to:
 - Employees
 - Students
 - Student parliament and student council
 - Canteen
 - Daycare center and childminder
 - Other users/tenants of the campus
 - Ministry of Science, Research and Culture
- Prepare a press release in consultation with the police and/or health authorities
- In the event of injuries, regardless of how minor they are, those affected will be sent to a doctor. Written notification of the injury or psychological help to the university's accident officer (arbeitsschutz@th-wildau.de)
- Immediate written notification to the Unfallkasse Berlin Brandenburg by the university's accident officer if medical or psychological assistance is required:
 - Accident report for insured students
 - Accident report for employees
 - Accident report for civil servants of the state of Brandenburg
