International Partner Universities TH Wildau

Since its foundation in 1991, the Technical University of Applied Sciences Wildau (TH Wildau) has cooperated with around 150 universities in over 60 countries on all continents.

Currently, TH Wildau actively joins forces with ca. 70 international universities and awards double degrees together with partner institutions from China, France, Georgia, Italy, Kazakhstan, Russia and Spain. Furthermore, TH Wildau has established a trilateral Joint Degree programme in Logistics and Supply Chain Management together with Universitat Autónoma de Barcelona, Spain, and Riga Technical University, Latvia.

You can find a list of TH Wildau's current (as of June 2020) bilateral partnerships below.

In most cases, these cooperations also include arrangements for student and/or staff exchange.
