| <u>STUDY COURSE</u>                   | <u>PARTNER SCHOOL(S)</u>   |
|---------------------------------------|--|
| European Management                   | Universidad de Córdoba (Master)                                  |
|                                       | Université de Lille (Master)                                     |
|                                       | Shanghai Jian Qiao University (Bachelor)                         |
| Logistics and Supply Chain Management | Peter the Great St. Petersburg Polytechnic University (Master)   |
|                                       | Technical University Riga (Master)                               |
|                                       | Universitat Autònoma de Barcelona (Master)                       |
| Logistik                              | Georgian Technical University Tbilissi (Bachelor)                |
|                                       | Deutsch-Kasachische Universität Almaty (Bachelor)                |
| Photonik                              | Università degli Studi di Roma „Tor Vergata“ (Master)            |
| Telematik                             | Deutsch-Kasachische Universität Almaty (Bachelor)                |
| Wirtschaftsingenieurwesen             | Peter the Great St. Petersburg Polytechnic University (Bachelor) |
| Wirtschaftsinformatik                 | Yaroslavl State University (Bachelor)                            |

## INTERNATIONAL JOINT DEGREE PROGRAM

Master in Logistics and Supply Chain Management (LSCM)

### Semesters 1 and 2: Common for all students

- 1st semester at **Universitat Autònoma Barcelona** (Spain)
- 2nd semester at **Riga Technical University** (Latvia)

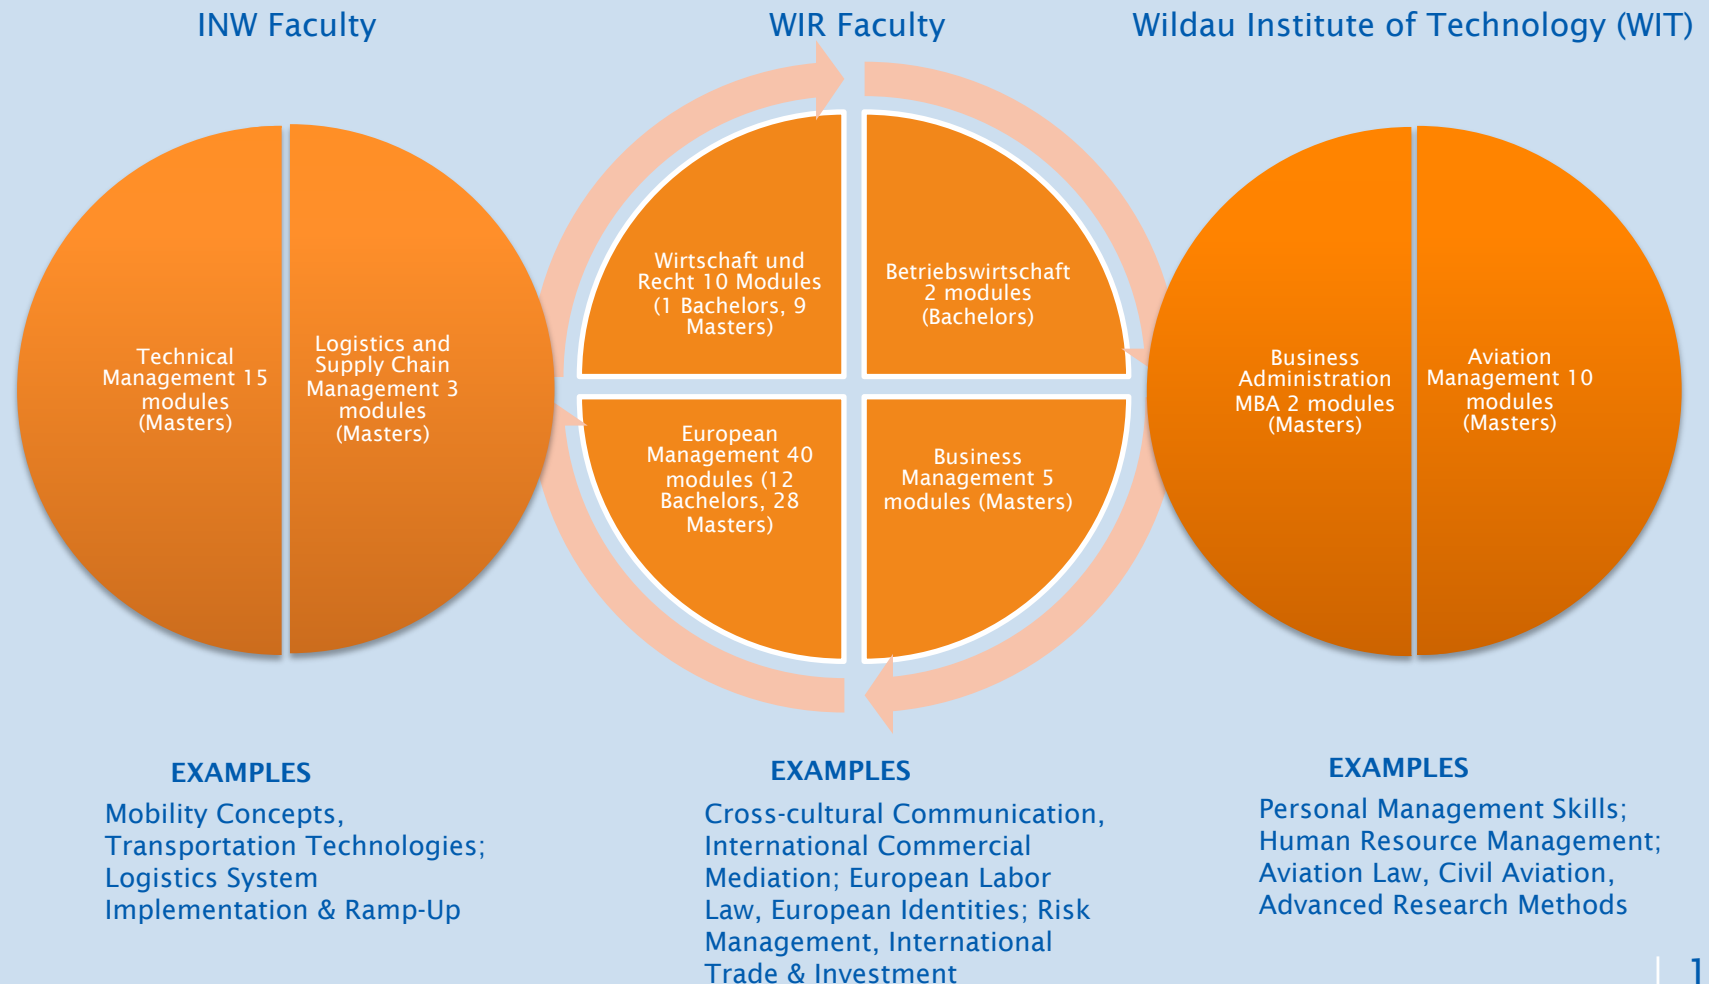

All students move from Barcelona to Riga during the period between semesters.

### Semesters 3 and 4: Specialisation

- A consortium-member university offers a specialisation based on its relative profile concerning LSCM.
- In practice, this means that a student can remain at Riga Technical University for their specialisation or can study at **TH Wildau** to complete their degree.

Various modules at TH Wildau are taught in English (87 in total). As of June 2020, these include:

**Many thanks for your interest!**
