Mentoring for international students

Mentoring for international students is a new support service for international students. It is aimed at all international students who are enrolled at TH Wildau, regardless of whether they already live in Germany or are still in their home country. The mentor is an international student herself. As a student contact person, he/she provides support during the start of studies and in everyday study life and helps with individual and study-related issues with tips, advice and referral to the right contact person at the TH Wildau.

Thanippulige Hansimala Jayarathne (Hansi)

I also had problems with my visa before I came to Germany and was only able to start my studies in the 2nd semester. I would therefore like to help you with tips, advice and, above all, the right information when you start your studies!

Priyasvee H. Mudannayake (Pree)

In 2017, I started my studies at TH Wildau with the Wildau Foundation Year, followed by my Bachelor's degree, and am now in the Master's program. As a student and long-time resident of Berlin, I am familiar with the challenges of international students and am happy to answer

Sahand Baratian

My name is Sahand and I come from Iran and I am familiar with the academic and lively environment at TH Wildau. I am happy if I can help other students to adapt to life and study at the university.

Are you new to Wildau? Then send us an e-mail to [international.mentoring\(at\)th-wildau.de](mailto:international.mentoring(at)th-wildau.de) and let our mentors support you!

TH Wildau does not provide liability insurance which covers the insured against claims for damages by third parties. Therefore, the International Office recommends that you take care of your own liability insurance.
