Number of employees	37
Locations	Zeuthen
About us	We are a medium-sized family-owned business based in Zeuthen, near Berlin. With our innovative solutions, we provide measurement services worldwide for transit operators and their rail vehicles—including subways, trams, and trains—as well as for trolleybuses. We offer acceptance testing for newly constructed lines, regular inspections, and support, assistance, and solutions for specific issues within your networks. We currently serve more than 100 transit operators in 25 countries worldwide.
