About us	E.DIS Netz GmbH is the regional grid operator in Brandenburg and Mecklenburg-Vorpommern. From the Baltic Sea coast to the Spreewald, we ensure a reliable energy supply around the clock to municipalities, industry, businesses, and households through our more than 80,000 kilometers of electricity grids and more than 5,000 kilometers gas grids. The company's three major locations, housing its key central administrative functions, are located in Fürstenwalde/Spree, Demmin, and Potsdam. In addition, we operate from over 40 locations to ensure a reliable energy supply in the region. With more than 2,000 employees and around 200 in-house trainees, E.DIS Netz GmbH is one of the largest employers and training providers in eastern Germany.
