

	Fernsteuergeräte Kurt Oelsch GmbH
We are looking for students from the degree programmes	Automatisierte Energiesysteme Automatisierungstechnik Betriebswirtschaftslehre Luftfahrttechnik / Luftfahrtmanagement Maschinenbau Mobilität, Umwelt, Logistik Mobilität und Verwaltung
We offer	Internship Working student position Cooperative Bachelor's/Master's thesis Trainee position Graduate position Dual degree programme School internship Apprenticeship
Sector	Sensor technology
Number of employees	500
Locations	Berlin, Kablo, Zernsdorf (and Heppenheim)
About us	80 years of sensor technology, 90% vertical integration, 100% pioneering spirit For over 80 years, FSG Fernsteuergeräte has been one of the most efficient and innovative sensor manufacturers in Germany and worldwide. With curiosity and expertise, we have shaped the development of angle, tilt, length, and position sensors. We have found an optimal solution for every measurement challenge our customers face. Today, FSG offers a broad product portfolio ranging from Inclination Sensors and cable-operated encoders to industrial joysticks and foot pedals, and wind sensors. Welcome to the world of sensors at FSG.
