About us	Shape the future. Move the city. Across our group of companies, 2,000 employees are passionately committed to our city. Every day, we make sure that Potsdam remains such a livable and lovable place. In almost every situation in life, the people of Potsdam come into contact with the services provided by our companies. No matter whether it is day or night. Whether it is electricity, water, heating, transport, waste disposal, lighting, or leisure activities. Behind all of these areas of life are our employees, who carry out their work with the greatest passion. Potsdam is truly close to our hearts. What does your heart beat for? With us, you have the opportunity to grow and develop while still having enough time for your private life. Our secure jobs offer you stability and long-term prospects!
