About us	As a systems integrator, we have been successfully operating in the communications market since 1990. With four branches in ZOSSEN, BERLIN, COTTBUS, and MAGDEBURG, we are one of the leading providers of communications and data technology. At our branches, certified sales and technical staff are available to handle installation and service tasks for your communications solution. Thanks to our long-standing collaboration with reliable partners within the GFT group and beyond, we are able to serve our customers throughout Germany. To meet the demands of your communications solution, strong, long-standing partnerships with manufacturers in the communications market are essential. The high standards we set for ourselves form the foundation for successful customer projects: - High-quality work - Expert advice - Innovative solutions - Competitive value for money - Absolute reliability - Customer-friendly service
