

Faculty Business, Computing and Law – Thesis Registration

1. Registering your thesis

This printed application form must be signed by you, the supervisor, the co-supervisor or assessor and handed in to the Dean's office.

2. General Information

What is your degree course?

What kind of thesis will you write?

- Bachelor thesis
- Master thesis

How many students are involved in writing the thesis?

- 1
- 2

HELP: Selection of number of students. A thesis can be written by up to two students. When written by two, the work of each student must be clearly indicated.

How will the thesis be supervised?

- Two supervisors
- One supervisor and one assessor

Help: Here you must decide how your thesis will be supervised. The following information may be helpful: A supervisor is available to answer your questions and will assess your thesis. An assessor will receive your thesis after completion and write an evaluative appraisal. (He/She will not offer any consultation or supervision.)
